This Product Use & Intellectual Property License Agreement is a legal agreement between you (either an individual or a single entity, “Licensee”) and Walls&Forms, Inc., a Texas corporation with its principal place of business at 15000 Grand River Road, Suite 111, Fort Worth, TX 76155 USA (“Walls&Forms”) for the T2+ Modular Wall System hardware, including all aluminum frames, connectors, panels, accessories, and associated documentation (collectively, the “Product”).

If you do not agree to these terms, do not open, install, or use the Product and return it, unopened, to your place of purchase for a full refund within thirty (30) days of purchase.

1. Sale of Hardware and Grant of License

Subject to full payment, Walls&Forms sells you the physical units of the Product. Separately, Walls&Forms grants you a limited, non-exclusive, non-transferable (except as provided in Section 9), non-sublicensable license to use the patented T2+ Modular Wall System embodied in the Product, including its frame profiles, connection system, and associated documentation, solely:

- For personal, retail, showroom, trade-show, pop-up, office, or home purposes; and
- In accordance with the permitted uses and restrictions set forth in this Product Use & Intellectual Property License Agreement.

2. Ownership and Intellectual Property

The T2+ frame profile and connection system are protected by one or more issued and pending U.S. patents and may also be protected by copyright, trademark, and trade secret laws. Walls&Forms retains all right, title, and interest in and to all intellectual property rights in and relating to the Product.

You acquire ownership only of the physical units of the Product that you purchase. No rights in or to any patents, designs, CAD files, tooling, or know-how are transferred to you by this Product Use & Intellectual Property License Agreement, except for the limited license granted in Section 1.

You are solely responsible for:

Ensuring that the Product is installed, anchored, and loaded in accordance with Walls&Forms' installation instructions and any applicable load ratings;

Your license and authorization to use the patented T2+ system and related intellectual property automatically ceases; and

You must cease all uses of the Product that rely on the licensed intellectual property and refrain from any further activity that would infringe Walls&Forms' patents or other intellectual property rights.

Nothing in this Section 9 requires you to return or destroy lawfully purchased physical units of the Product, but any continued use in violation of this Product Use & Intellectual Property License Agreement may constitute infringement of Walls&Forms' intellectual property rights and may be subject to legal enforcement.

No failure or delay by Walls&Forms in exercising any right or remedy under this Product Use & Intellectual Property License Agreement shall constitute a waiver of such right or remedy. This Product Use & Intellectual Property License Agreement, together with the applicable invoice and the Limited Warranty, constitutes the entire agreement between you and Walls&Forms with respect to the Product and supersedes all prior or contemporaneous understandings, proposals, or agreements, whether oral or written.
